II.	2	For the pre-proposal conference and facility tour, can you provide more information on the address location, if it is mandatory, and if it's in person or virtual? I did not see any additional details listed on the website or in the RFP document. The pre-proposal conference and facility tour is optional and not mandatory. The conference is an inperson conference only. The pre-proposal conference will be held at FCRTA's new Maintenance Facility currently under construction, located at 1821 Pacific Avenue, Selma, CA 93662.	
II.	2	WeDriveU has a strict environmental policy which highly discourages us from printing thousands of pages of copy. Would FCRTA allow either an all-electronic submission or consider excluding the requirement for printing the	
II.	2	Can you please confirm that the proposer conference and facility tour is Wednesday February 5th or Thursday February 6th? The proposer conference and facility tour will be Thursday February 6th.	
D. 7 (!!! FCRTA Requirements for Bilingual Fluency)	5	Please confirm the current Contractor has staff that are bilingual and meets the requirement for a minimum of one bilingual staff person on duty for all hours of service. Current Contractor staff are bilingual and meet this staffing requirement.	
Appendix A: B. Disadvantaged Business Enterprise	12	Please clarify the "required goal" for DBE participation. Is this a goal the Contractor makes a Good Faith Effort to meet, or is this a Required amount the Contractor must meet to be eligible for award of this contract? This a DBE goal that the Contractor, at a minimum, makes a Good Faith Effort to meet as FCRTA is required to submit DBE reports to Caltrans and the FTA.	
Miscellaneous	N/A	Please provide the names and contact information of any current DBE vendors including the service provided so that they may continue to service this contract. There are no certified DBE vendors performing services for the current operating contract.	
Miscellaneous	N/A	Please provide the number of calls by hour and by type (reservations, where's my ride, etc.) for each day of the week. You can contact our Dispatch Software provider, GMV (formerly Syncromatics Corporation) for that information.	
Miscellaneous	N/A	What is the current percentage of "Subscription Service" trips compared to the total number of trips? It varies, sometimes significantly by each City (13) served.	
D. 7 (13. Fare Collection)	6	What is the process for fare collection since there are so many services? Is an armored car service used for depositing the fares? Usually a Mail Runner (Courier), or sometimes a driver picks up fare money from buses daily at City Halls and/or Senior Centers in the 13 cities served. Contractor staff (Mail Runner or others) deposit the fares.	
D. 7 (13. Fare Collection)	6	What type of fareboxes are currently utilized within the revenue vehicles? If none, please provide fare collection process. None. Cash and passes are collected by each driver and kept in a pouch or money bag.	
D. 7 (13. Fare Collection)	6	Please provide the total dollar amount of cash fares collected by month and deposited for each of the past 12 months. Report showing cash fares for 2024 is attached. See Attachment 1-Bus Fares.	Attachment 1- Bus Fares Bus Fares Jan- Dec. 2024.xls
Miscellaneous	N/A	Please provide information on the Agency provided fleet to include engine type, fuel type, current odometer readings, average miles operated per year. Please advise if the contractor is required to provide any items on the bus [fareboxes, radios, MDT, etc.]. See attached Fleet list. Contractor is not required to provide any items on the buses. See Attachment 2-Fleet List.	Attachment 2- Fleet List FCRTA Fleet List 1_27_2025.xls
Miscellaneous	N/A	Does the Agency have a vehicle replacement schedule that can be shared? Are any new buses in the process of being procured for either replacement or expansion? Yes. See Zero-Emissions Bus Rollout Plan. Currently, 25 to 40 Ford E-Transit 350 Electric Vans are on order. Estimated time of arrival for these vehicles is the summer of 2025. See Attachment 3-Rollout Plan.	Attachment 3- Rollout Plan FCRTA Bus EV Rollout Plan_FINAL_8.9.

Subsection H.3, Subsection 4	9	On Page 9, the requirement states Proposers must supply a ten-year history of Proposer's company and demonstrate at least five (5) consecutive years of recent experience in service operations of a system similar in scope, size, and complexity to the package of services being proposed, as shown in the contractor's representative experience. For proposers with more than 100 contracts, will FCRTA revise the information requirement to limit the service to five (5) contracts for similar services? FCRTA will not change these requirements. But if a bidder has a very large number of similarly sized operating projects, it may submit evidence of this and FCRTA will consider this requirement to be met. This will be done on a case-by-case basis.	
Appendix A: B. Disadvantaged Business Enterprise (DBE)	12	Please confirm that the Disadvantaged Business Enterprise (DBE) goal is 4.0% and if a good faith effort is required. The DBE goal is 4%. This is a goal that the Contractor, at a minimum, makes a Good Faith Effort to meet as FCRTA is required to submit DBE reports to Caltrans and the FTA.	
Appendix A: H. Insurance Requirements	15	The insurance requirements and minimum coverage amounts beginning on page 15 seem to conflict with the insurance information and limits on page 64, which is within the current contract and identified as the "Draft Contract" per this RFP. For example, page 15 outlines \$10M in Auto Liability as a minimum, but page 6 of the draft contract (page 64 of the RFP) states \$15M. Can you clarify which set of insurance requirements will be used for the contract? The \$10M minimum liability is the minimum limit and proposers could choose higher coverage. Page 64 is provided as a draft contract, and the current contractor carries \$15M for minimum coverage.	
Miscellaneous	N/A	Is FCRTA able to extend the deadline for proposals by at least 2-3 weeks? With the contract start date in September, we believe FCRTA would benefit by giving bidders additional time to develop their proposals. FCRTA is unable to extend the deadline for proposals.	
Appendix A:	17	Page 17 of the RFP states, "Current labor and benefit information will be provided to proposers on request." We would like to officially request this information. Some current contractor benefits information is contained in the Collective Bargaining Agreement in Appendix F of the RFP. For more details, please check with the ATU, as these employees are not FCRTA employees.	
Appendix A: H. Insurance	15	Can excess Liability be utilized to meet limits requirements? No. If not, would FCRTA accept \$5M per occurance?	
Requirements Appendix A: H.		No.	
Insurance Requirements	15	Can FCRTA accept Blanket Endorsements for Additional Insured and Workers Comp? No. If not, would FCRTA accept \$5M per occurance? No.	
Miscellaneous	N/A	Will FCRTA allow for a monthly fixed fee in the pricing structure in addition to the hourly rate? No. All costs need to be incorporated into the revenue service hour reimbursement rate.	
Miscellaneous	N/A	Please provide the Cost Proposal Form in Excel format. FCRTA is confident that each bidder can manage the cost proposal forms and develop them for each bidder's convenience.	
Appendix B: A. General Terms	18	Please confirm that option year extensions are to be mutually agreed by FCRTA and Contractor. Yes. After FCRTA makes the determination to offer the optional years.	
Cost Proposal	56	The Cost Proposal Form shows total hours, please provide a split of anticipated hours split between Fixed Route and Demand Response. For the FCRTA transit system, fixed routes are known as inter-city services and demand response services are known as intra-city services. On page 23 of the RFP, these services are delineated in Table B: Summary of FCRTA Levels in 2023, by intra-city and inter-city services based on approximate hours per each mode. Also, reference the route maps for the inter-city fixed routes in our website.	
Miscellaneous	N/A	Please provide a three-year history of hours and miles, split between Fixed Route and Demand Response, showing total, revenue and deadhead hours and miles. Please reference FCRTA's NTD report for the last three years and our website to review the Annual Productivity Evaluation to make the analysis.	
Miscellaneous D. 7 (12. Road	N/A	Please provide a 5-year loss run, showing all incidents/claims and cost for each claim. FCRTA does not have that information, since the current contractor carries the insurance, they have that information.	
Supervisor Position)	5	Can road supervisor coverage be supplemented by other staff positions? Yes. However, provide a full description of such coverage by other staff.	
Miscellaneous	N/A	Please confirm that FCRTA will provide all contractor office equipment at the provided facility. Yes, subject to the contractor submitting a line-item list of inclusions to be negotiated in the contract.	
Miscellaneous	N/A	Will FCRTA accept the usage of e-signatures? Yes.	
Proposal Form Q	53-54	Please confirm if Proposal Form Q is due at the time of proposal submittal. This form is not required at time of proposal submittal. Form ADM-3059 is not required until the awarded prime contractor has made payments to DBE subcontractors and is submitting its monthly invoice to FCRTA.	

		The links to the following forms are giving error messages. We acknowledge receipt of the forms embedded in the RFP, however, would FCRTA consider providing clearer versions of the forms in addendum? If unable to open these
